Imagine a refurbished Community Center (the old Ely School) filled with exhibitions explaining the history of the community!

Imagine that as you use the building to pay your bills, attend City Council Meetings, or eat with the seniors, you could experience a self-guided tour of our past.

A collection of old photos and documents will line the walls of the corridors and rooms. An Archives Room will be available for research and continuing donations of historic materials.

We are busy applying for grants from public and private foundations, but we also need your tax-deductible contributions. In addition, if you have photos, documents or stories, we would love to hear from you.
