

ONE BOOK ONE COMMUNITY – ONE BOOK ONE COMMUNITY – We will be holding our second “One Book One Community” event! We are thrilled to offer this as a family event and have chosen “Pie in the Sky” by Remy Lai. This book is the Children’s All Iowa Reads and is one the whole family will enjoy! Discussions, activities and a possible virtual visit from the author are all in the works. A copy of the book will be available to the first 200 families who register, and those who complete this event will receive a gift card to a local Ely business.
