I saw a council person say we need a public space for events that can accommodate a significant portion of our population comfortably. however NONE of the renderings you have provided would have enough space for something like this. A gym would and could be used by all community departments and organizations. Don't waste money on something you would regret in several years. 52	Great space!	3/23/2021 6:57 PM
53	I think the community would really enjoy a new/larger space. I also think it would attract young families into our community.	3/21/2021 6:22 PM

71	This seems the best option for easy access and expansion	3/11/2021 7:07 PM
72	Love the idea of an outdoor space, it would be convenient to have the community room and children's program room right inside the main entrance, it appears there would be more parking spaces which would also be wonderful. The children's space seems to be a bit further from adult section and study rooms and such which is likely ideal as little ones (mine included) can at times have a hard time with using a quiet voice. There would also still be room for future potential expansion which would also be a plus!	3/11/2021 6:42 PM

8	I think the library is good as is. We have better uses for our money.	4/9/2021 6:50 PM

9	This expansion doesn't seem necessary	4/9/2021 6:18 PM
10	No new library is needed.	4/9/2021 6:14 PM
11	the town has just seen a increase in property tax. A new library would raise them even more. no thanks	4/9/2021 4:15 PM
12	I'm ok with either plan. The lowest possible to make it go through.	4/2/2021 9:32 AM
13	No preference through we lean more to one story to avoid an elevator and its maintenance. While the library is a great asset, we don't feel it is where the town should be focusing improvement efforts.	4/2/2021 9:30 AM
14	The building by fire station bothers me because obviously it would affect Krob elevation business and I don't believe on pushing out one business to better another	4/2/2021 9:24 AM
15	do not like location by elevator	4/2/2021 9:20 AM
16	which ever site works for best space usage.	4/2/2021 9:17 AM
17	not needed	4/2/2021 9:00 AM
18	Over by City Hall, Library, Park, basketball courts. It's on the bike trail so accessible to vehicles and by foot everything together makes sense.	4/2/2021 8:51 AM
19	Nothing done to the library. Build a REC center.	4/1/2021 4:57 PM
20	Just leave current as is and spend money on a rec center	4/1/2021 4:54 PM
21	None. This is not needed	3/31/2021 7:42 PM
22	Would love to see some kind of activity center for exercise options and additional meeting options. Just moving to Ely, did not get to be involved in previous surveys.	3/24/2021 7:15 PM
23	Fine as is	3/24/2021 10:45 AM
24	Neither	3/24/2021 7:50 AM
25	Either would be fine	3/24/2021 7:42 AM
26	No new library	3/24/2021 6:37 AM
27	We should build a larger community space by the park. It should include plenty of parking and be a multi-story facility to reduce its footprint. Parks and rec and the library can both operate out of this space. Options for future expansion should add Lao be considered (gym, outdoor space, etc.)	3/23/2021 11:14 PM
28	Don't need bigger library	3/23/2021 10:21 PM
29	Expansion not necessary	3/23/2021 10:01 PM
30	Need more information such as the development costs between locations	3/23/2021 9:52 PM
31	I do not support the new library	3/23/2021 9:41 PM
32	No extension needed at this time	3/23/2021 7:39 PM
33	See above comments.	3/23/2021 7:18 PM
34	The internet almost makes a library obsolete	3/23/2021 7:00 PM
35	Vista South is good too	3/23/2021 6:57 PM
36	I would support a dual facility. My family would donate if this project was more encompassing and not focused on only one community service.	3/23/2021 6:28 PM
37	None	3/23/2021 5:06 PM
38	It would be more helpful if you also listed a price tag for each	3/23/2021 4:43 PM
39	Neither, we need a new post office, curbs & paved roads, alleys need fixed, all of these need done over in the older section of town. If We're going to be taxed more money then it needs to	3/23/2021 4:25 PM

be for things like what I mentioned. I've lived here for over 20 years and I keep hearing thats in the 5 yr plan. Well 20+ yrs have gone buy and we're still waiting.

40	No expansion	3/23/2021 4:23 PM
41	Don't believe we need a larger building. Future looks virtual.	3/15/2021 7:41 PM
42	No need to do anything	3/15/2021 5:04 PM
43	Where are these locations at and what is the price of each	3/12/2021 9:46 PM
44	I believe the city hall site would be good as well	3/12/2021 8:54 AM
45	The city hall property is ideal. Could city hall be moved to current library? The library could then have a playground and lots of outdoor space in that area. Tennis courts and bball courts could be rebuilt as they are in tough shape already.	3/11/2021 6:01 PM
46	By City Park you could add other space for Rec Center	3/11/2021 1:07 PM
47	Gives opportunity for future growth on main street.	3/7/2021 7:14 PM
48	WE DONT NEED A NEW LIBRARY!!	3/2/2021 7:23 AM
49	None we don't need a new library.	2/25/2021 2:55 PM
50	either would be great	2/25/2021 10:35 AM
51	Keeping it downtown would be nice & outdoor space would be good for more programs but Krob's can be really dusty sometimes. Could D3 be used at City Park site?	2/25/2021 7:02 AM
52	Whichever will fit on current site	2/24/2021 7:11 PM
