

Notice of Neighborhood Meeting

Re: Knoll and North Street Reconstruction Project

Tuesday September 15th @ 5:30pm
City Hall Council Chamber & Zoom

City Staff and City Engineer will hold a public neighborhood meeting on September 15th at 5:30pm to discuss and answer questions related to the upcoming Knoll and North Street Reconstruction Project. On September 8th, Ely City Council awarded the reconstruction project to Eastern Iowa Excavation with an expected start date by the end of September. The street is expected to be closed for no more than 7 days during construction (weather permitting) to allow the contractor to work expeditiously.

The meeting will be held via zoom as well for anyone who would rather attend the meeting in that way. We will record the meeting and have it available for viewing after the meeting has ended. You can also contact City Hall at 319-848-4103 after the 15th with questions related to the project.
